

REPORT OF GENE & JOYCE WILLIAMS MINISTRY IN INDIA

We are thankful to Dr.Gene & Joyce Williams for their willingness to come to help South India Biblical Seminary, the only Wesleyan Seminary in India.

The need was presented before the Williams to come to help faculty , student and the community to teach Wesleyan core values, leadership principles and to conduct holiness convention.

Faculty Retreat:

“The Lord reconfirmed my call to lead God’s people in an attitude of servant” Rev.David Israel the president of the school said after attending the leadership life style secession with the Williams. The faculty re-treat at South India Biblical Seminary conducted by the Williams rekindled the passion for developing quality people for ministry.

Holiness Conventions

The evening convention at the school was attended by the students, faculty, pastors from nearby churches and children. The Lord began to pour out His spirit, student and faculty began to reconstruct their spiritual lives with God and build strong bond of Christian love and relationship. At the end of the convention student began to come forward in response to the call for Holy life.

Pastors Conference:

The Williams ministered to the pastors and their spouses at the Karnataka District in Bangalore, India. This was the time of encouragement to pastors whose lives need strength and commitment. Pastors from pre-Methodist church also participated. The books for pastors were given which will be of great benefits to enhance their ministry more meaningfully.
